## NRA Safety:

### Home Firearm Safety

**4 hours**

**0 Rounds**

**\$150**

Home Firearm Safety is a non-shooting course that teaches students the basic knowledge, skills, and attitude necessary for the safe handling and storage of firearms and ammunition in the home. This is a 4-hour course for safe gun handling that is conducted in the classroom only. Students are taught NRA's three rules for safe gun handling; primary causes of firearms accidents; firearm parts; how to unload certain action types; ammunition components; cleaning; care; safe storage of firearms in the home; and the benefits of becoming an active participant in the shooting sports. A firearm is not needed to attend this class. Please contact our Chief Instructor to schedule this course.

#### **Important Relevant Information: Transporting a Firearm in NJ**

**FYI: Transporting a firearm in NJ between authorized places without a carry permit:**

NJSA §2C:39-6.g – Exemptions: **Any weapon being transported** under paragraph (2) of subsection b., subsection e., or paragraph (1) or (3) of subsection f. of this section **shall be carried unloaded and contained in a closed and fastened case, gun box, securely tied package, or locked in the trunk of the automobile in which it is being transported, and in the course of travel shall include only deviations as are reasonably necessary under the circumstances.**

***Note:** There is an Attorney General's Opinion covering "reasonable deviations".*

## NRA Handgun Training:

### FIRST Steps Pistol Orientation

**3 hours**

**50 Rounds**

**\$200**

Firearm Instruction, Responsibility, and Safety Training (FIRST) is the NRA's response to the American public's need for a handgun orientation program for new purchasers. FIRST Steps Pistol Orientation is designed to provide a hands-on introduction to the safe handling and proper orientation to one specific pistol action type. This course is 3 hours long and includes classroom and outdoor range time learning to shoot a specific pistol action type. Students will learn the NRA's rules for safe gun handling; the particular pistol model parts and operation; ammunition; shooting fundamentals; cleaning the pistol; and continued opportunities for skill development. A handgun and ammunition are required for this class. Please contact our Chief Instructor to schedule this course.

### Basics of Pistol Shooting

**8 hours**

**100 Rounds**

**\$300**

Basics of Pistol Shooting is intended for all individuals regardless of previous shooting experience and is delivered in the traditional classroom and outdoor range environment. This is an instructor-led 8-hour course where you will receive direct instruction from an NRA-certified instructor from beginning to end. Course topics include gun safety rules, proper operation of revolvers and semi-automatic pistols, ammunition knowledge and selection, pistol selection and storage, shooting fundamentals, pistol inspection and maintenance, marksmanship, and shooting range safety. Additionally, students will complete live fire training in a nationally standardized shooting qualification while on the outdoor range with an NRA Certified Instructor. A handgun and ammunition are required for this class. Please use a link on page 4 to register for this course.

## Defensive Pistol

**8 hours**

**150 Rounds**

**\$300**

Defensive Pistol teaches the knowledge, skills, and attitude to carry and use a concealed pistol ethically, responsibly, and with confidence. This course is 8 hours long and will focus on the techniques needed to develop a defensive mindset in the classroom. Students should expect to shoot approximately 150 rounds of ammunition on the outdoor range. As a result of participating in this course, the student will be able to explain and demonstrate the following: How to apply the NRA Rules for Safe Gun Handling when carrying a concealed firearm, basic principles of concealment, the difference between cover and concealment, drawing from the holster, levels of mental awareness, developing the proper mindset when using a pistol for personal protection, clearing common stoppages, use of pocket pistols, and more. This course is only conducted by NRA Certified Advanced Pistol Instructors. A handgun and ammunition, plus other equipment are required for this class. Please use a link on page 4 to register for this course.

***NOTE: this course will qualify you for a New Jersey Permit to Carry application.***

## Basic CCW (Carry a Concealed Weapon)

**16 hours**

**250 Rounds**

**\$500**

Carry a Concealed Weapon or CCW teaches the basic knowledge, skills, and attitude necessary to carry a concealed pistol for personal defense. The CCW Course is intended for those individuals with previous shooting experience who can proficiently and safely handle a handgun. This instructor-led only course gives you direct instruction from an NRA-certified instructor from beginning to end and is conducted in a classroom and on a shooting range. This course may be completed in two single day formats or over several days with smaller blocks of instruction. Course topics may include Firearm Safety, Pistol Nomenclature and Selecting a Pistol for Self-Defense, Basic Defensive Pistol Skills, Drawing from Concealment, Loading and Stoppage Remediation, Mindset, Carry Modes and Pistol Concealment, Firearm Cleaning, and Sport Shooting and Training Activities. Course length is determined by the modules the Instructor presents to meet your state's requirements for a permit to carry handguns. Additionally, students will complete live fire training on a nationally standardized shooting qualification while on the outdoor range with an NRA Certified Instructor. An instructor currently certified to instruct in this area of the law conducts Firearms and the Law and Legal Aspects of Self-Defense - our instructors are certified through the New Jersey Retired Police Officers qualification program and Security Officer Registration Act. Your CCW course instructor presents this module as an instructor so certified to do so, not as an NRA Instructor. A handgun and ammunition, plus other equipment are required for this class. Please contact our Chief Instructor to schedule this course. ***NOTE: this course will qualify you for a New Jersey Permit to Carry application.***
